RE: CIRCLE OF EXCELLENCE HONOREES FOR 2009

It gives me great pleasure to announce the Circle of Excellence award winners for 2009. In its thirtieth year, Circle of Excellence honors the International dealerships that achieve the highest level of dealer performance with respect to operating and financial standards, market representation, and most importantly, customer satisfaction. This award is the highest honor a dealer principal can achieve from the company.

Circle of Excellence is an honor reserved for those dealer principals who are clearly committed to growing their businesses and being recognized by customers as the "dealership of choice" in their respective markets.

This year, we honor twenty-seven dealers (list attached) who have achieved the highest performance standards for the preceding twelve months. These dealers are commended for their dedication and commitment to outstanding customer service, operational excellence and representation of the International brand. This award also recognizes the effort and dedication of all the dealership's employees.

In March, our Circle of Excellence award winners will travel to Washington, D.C., an elegant and stimulating location where we anticipate lasting memories will be created.

On behalf of the entire International family, I would like to extend our sincere appreciation to our 2009 Circle of Excellence honorees.

Congratulations and continued success!

2009 Circle of Excellence Dealers
